Arizona Livestock Loss Board (ALLB) Obtaining Reimbursement for a Wolf Depredation of Livestock

If you suspect a wolf depredation:

- Step 1 Immediately contact the Interagency Field Team at 928.339.4329 (or 623.236.7201 after hours/weekends) to report the suspected wolf depredation and request an investigation by USDA Wildlife Services.
- Step 2 Upon completion of the depredation investigation, the investigating Wildlife Services Agent will complete a Depredation Report Form (DRF). If the Wildlife Services Agent determines that the cause of death or injury was a confirmed or probable wolf depredation the Owner/Claimant or his designee seeking reimbursement should send a copy of the DRF to:

Arizona Livestock Loss Board
P. O. Box 74975
Phoenix, AZ 85087

(A transmittal letter should accompany the DRF and include the Owner/Claimant or his designee's: name, address, phone number and email address.)

- Step 3 At its next meeting, the ALLB will review the claim and notify Owner/Claimant or their designee of their decision. If approved for depredation reimbursement the Board facilitates payment through the State of Arizona to provide compensation payments, there are some administrative actions that claimants need to complete prior to receiving payments including registering in the Arizona Procurement Portal (APP). The following is a link to begin the process: <https://app.az.gov/> In addition, the following phone number is a direct line to the APP Help Desk - 602-542-7600. If you are already registered through APP, you can disregard this portion of the letter.

FORMS CAN BE OBTAINED AT: <https://azllb.com>
